NEON DIMENSION ASCENSION

Previously in Comic Gene

Highlights from the Previous Chapter

Story

Japan, 2012.
A "CD which Makes you sMarter" called "Trigger" is extremely popular among high school students. However, strange incidents begin happening to the people who listen to it. Chitose goes in search of his best friend who disappeared right after listening to "Trigger" and tries to find the truth behind it.

The Story So Far

Chitose is a high school student who loves soccer but hates studying.
One day, Chitose's best friend Hayato invites him to listen to "Trigger", but Chitose refuses to listen. Hayato is admitted to hospital the day after he listens to the CD, and then his whole family disappears. Chitose is confused by the many rumours that are circulating around the internet. Somewhere else, another frightening incident occurs...

Main Characters

Hayato Hajima

Chitose's best friend and a scholarship student who wants to be a soccer player in the future. Right after he listened to Trigger, his whole family disappeared.

Shiriku Higa

Chitose's classmate who is skilled at collecting information. She goes by the name "Airsune" online and has many followers.

Tamon Akechi

Chitose's cousin. An all-around geek who has an American medical license and claims to be a genius. He works at an osteopathic clinic in Kamakura.

Chitose Amami

A soccer-loving high school student who attends a private high school. He's looking for his friend who disappeared.

TAKE NOTICE OF THIS

"Trigger" is extremely popular among middle and high school students as "a CD that makes you smarter". Why was it created...?

THE PHILADELPHIA EXPERIMENT
THAT'S IT.
WHAT'S THAT, TAMON-KUN?
IT WAS ORIGINALLY A DEMAGNETISATION EXPERIMENT INTENDED TO INCREASE STEALTH
WHICH WOULD HIDE A SHIP'S MAGNETISM, MAKING IT INVISIBLE TO RADARS
THE NAVY'S IDEA WAS TO USE A MASSIVE TESLA COIL TO GENERATE MAGNETISM,
AND PUT A WHOLE SHIP INTO STEALTH MODE VIA A HIGH FREQUENCY.
IN ADDITION, THE BATTLESHIP USED IN THE EXPERIMENT, THE USS ELDRIDGE, WAS 92 METRES LONG AND HAD A DISPLACED WEIGHT OF 1240 TONS
HIDING SOMETHING LIKE THAT IS COMPLETELY DIFFERENT FROM CONCEALING A SPY PLANE

AUGUST 12TH, 1943
AT THE BEGINNING OF THE EXPERIMENT,
THERE WERE SOME STRANGE VIBRATIONS, AND THEN A BLUISH-WHITE LIGHT APPEARED AROUND THE MAGNETISM DEVICE
AND COVERED THE WHOLE OF THE USS ELDRIDGE
A SOUND SIMILAR TO THE BUZZING OF INSECTS' WINGS WAS HEARD, SPARKS FLEW,
AND THEN THE USS ELDRIDGE DISAPPEARED
AFTER THAT,
THE USS ELDRIDGE TELEPORTED TO NORFOLK NAVAL BASE, 320 KILOMETRES AWAY
TELEPORTED?!
THE SHIP WAS TELEPORTED TWICE
THE SHIP APPEARED AT PHILADELPHIA AGAIN
BUT
INSIDE THE USS ELDRIDGE WAS A TERRIBLE, UNEARTHLY SCENE

INSIDE, PARTS OF HUMAN BODIES WERE STICKING OUT FROM EVERY CORNER OF THE SHIP...
THEY HAD COMPLETELY FUSED WITH THE METAL BATTLESHIP.
.....

I THINK THAT THE RECENT INCIDENT IS SIMILAR TO WHAT HAPPENED DURING THE PHILADELPHIA EXPERIMENT
...MY COLLEAGUES JUST LAUGHED AT ME, AND WOULDN'T PAY ANY ATTENTION,
BUT I STILL BELIEVE IT'S TRUE

YOU WON'T SUCCEED IF YOU TELL THE TRUTH, YOU KNOW?
THE PHILADELPHIA EXPERIMENT ITSELF IS SO STRANGE THAT MANY PEOPLE QUESTION ITS VERY EXISTENCE...
BUT CERTAIN EXPERTS CLAIM THAT IT IS REAL
I'M NOT INTERESTED IN SUCCESS
I ACTUALLY WANTED TO WORK AT A NURSERY SCHOOL OR AN ELEMENTARY SCHOOL IN THE COUNTRYSIDE
..YOU'RE SUCH A DUMMY.
THAT'S BE-CAUSE,
BUT WHY WOULD AN EXPERIMENT TO HIDE THE SHIP FROM RADAR, CAUSE IT TO TELEPORT AND FUSE THE PEOPLE ON BOARD WITH METAL?
PLASMA?
YOU MEAN THE PLASMA IN TELEVISIONS AND AIR PURIFIERS?
THERE ARE MANY DIFFERENT TYPES OF PLASMA
PLASMA WAS CREATED.

FOR STARTERS, PLASMA ISN'T A SUBSTANCE
IT'S THE NAME OF A "STATE", LIKE SOLID AND GAS
Solid
liquid
gas
plasma
Well, generally speaking, it's like this.
NORMALLY, PLASMA IS CREATED BY ELECTRICALLY CHARGING GAS
IT CAN EVEN BE CREATED WHEN ELECTROMAG-NETIC WAVES INTERSECT
BY THE WAY,
AURORAS, THE SUN AND SOLAR WIND ARE ALSO PLASMA
THE BLUISH-WHITE LIGHT WHICH SURROUNDED THE USS ELDRIDGE IS ALSO SAID TO BE PLASMA
PLASMA IS CREATED BY TEMPERATURES EXCEEDING 3000 DEGREES, WHICH CANNOT BE REACHED BY NORMAL BURNING
AND THE "FUSION" OF SEPARATE OBJECTS
IT'S "TRANSPARENT", SO OTHER OBJECTS CAN PASS THROUGH IT
A "PHASE" WHICH MOVES THROUGH HYPERSPACE IS POSSIBLE TOO.
BUT WOULDN'T YOU NEED SOME SPECIAL EQUIPMENT TO DO THAT?
THERE WASN'T ANYTHING AT THE SCENE, RIGHT?
I saw it on twitter
IF THERE'S A POSSIBIL-ITY THAT IT HAPPENED,

THEN IT WOULD BE DUE TO ELECTRO-MAGNETIC WAVES INTERSECTING
HUH?
IN JAPAN, ELECTROMAGNETIC WAVES CAN LEAK OUT FROM ANY-WHERE
CELL PHONES, MICROWAVES, IH COOKING HEATERS, COMPUTERS, DRYERS, GPS...
THERE IS AN ENDLESS AMOUNT OF OBJECTS
They're everyday objects.
BUT THAT'S NOT REALLY A BIG DEAL, IS IT?
IT'S NOT SEEN AS A PROBLEM IN JAPAN, BUT THERE ARE REPORTS OF PEOPLE BECOMING UNWELL
ACCORDING TO THE WORLD HEALTH ORGANISATION, THERE'S NO DIAGNOSTIC CRITERIA FOR HYPERSENSITIVITY TO ELECTRO-MAGNETIC WAVES
IN AMERICA AND DENMARK, THERE ARE ORGANISATIONS FOR THOSE AFFECTED, AND IN SWEDEN, THE DANGER HAS ALREADY BEEN ACKNOWLEDGED
BY THE WAY, THE SAR LEVEL OF THE SMART PHONE YOU'RE USING IS 1.17 WATTS PER KILOGRAM
If it was an old model, then it'd be 1.305 watts per kilogram.
"SAR LEVEL"? WHAT'S THAT?

DO
OH
Huhh..?!
THE SAR LEVEL OF YOUR SMART PHONE IS TOO HIGH IN OTHER COUNTRIES!
THE SAR LIMIT IN JAPAN IS 2 WATTS PER KILOGRAM. BUT IN AMERICA IT'S 0.16 WATTS PER KILOGRAM, IN GERMANY IT'S 0.6 WATTS PER KILOGRAM AND IN CHINA IT'S 1 WATT PER KILOGRAM
THE SAR LEVEL REFERS TO THE AMOUNT OF ELECTROMAGNETIC WAVES THAT IT IS ACCEPTABLE TO BE EXPOSED TO
"IF THE PHONE IS PLACED LESS THAN 15MM FROM YOUR BODY, THE SAR LEVEL MAY BE GREATER THAN THE EXPOSURE GUIDELINES SET BY THE MINISTRY OF INTERNAL AFFAIRS AND COMMUNICATIONS."
IT MUST BE WRITTEN IN THE MANUAL
Eh..
15MM .. IF YOU PUT THE PHONE AGAINST YOUR EAR, IT'D BE CLOSER THAN THAT
I'll use the speaker phone to talk.
NATURAL DISASTERS AREN'T THE ONLY THING
WE MAY ALREADY BE IN DANGER, BUT WE JUST CAN'T SEE IT
IF WE DON'T FIND OUT, SOMETHING TERRIBLE WILL HAPPEN LATER.

WHAT MADE YOU THINK IT WASN'T AN ACCIDENT?
I WAS ALSO UNCERTAIN ABOUT THE ELECTRO-MAGNETIC WAVES.
SO I INVESTIGATED WHETHER THERE WAS A SOURCE OF ELECTRO-MAGNETIC WAVES NEAR THE SCENE... BUT I DIDN'T FIND ANYTHING.
BECAUSE THE GIRL'S LEG WAS FLOATING IN MIDAIR.
I THOUGHT THAT A STRONG FORCE MUST HAVE BEEN PUSHING AGAINST IT.
YOU...
SO THE KILLER USED THE PLASMA EQUIPMENT AND BURIED THAT GIRL?
...HOW?
I'm sorry...
...UNFORTUNATELY, I HAVE NO IDEA.

SO I CAME TO VISIT, HOPING DOCTOR AKECHI WOULD SHARE HIS KNOWLEDGE WITH ME
BZZZ
BZZZ
YES, THIS IS TSUMOI
EH?
SO WHERE IS IT? AH, ALRIGHT
.....
SORRY
I'LL COME AGAIN ANOTHER DAY, DOCTOR AKECHI, CHITOSE-KUN
HEY, YOU
HAVE YOU GOT A GEIGER COUNTER?
EH?
A GEIGER COUNTER IS A MACHINE USED TO CALCULATE RADIOACTIVITY, RIGHT?
ALRIGHT
SEE YOU LATER
CHECK THE LEVEL OF RADIOACTIVITY AT THE SCENE
..ANYWAY, WHAT WERE YOU DOING IN AMERICA, TAMON-KUN?
DO THE SAME AT THE SCENE OF THE INCIDENT THAT WAS ON THE 16TH, IF YOU CAN

WELL...
THERE'S A SECOND VICTIM?
YES — IT'S ANOTHER BODY.

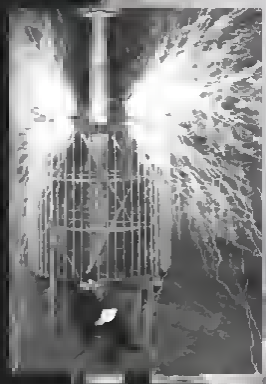
PHILADELPHIA EXPERIMENT
naval military experiment that was alleged to have been carried out in Philadelphia, around October 28, 1943. It was said that the aim of the experiment was to make the USS Eldridge invisible to enemy radar.



THE NAVY'S IDEA WAS TO USE A MASSIVE TESLA COIL TO GENERATE MAGNETISM,
AND PUT A WHOLE SHIP INTO STEALTH MODE VIA A HIGH FREQUENCY.

TESLA COIL
A type of transformer which was invented by the electrical engineer Nikola Tesla around 1891. It is used to produce high voltages of electricity.
